SARAH LAWRENCE COLLEGE

February 1, 1969

In response to a request from the Ad Hoc Student Organization to the Board of Trustees, with the concurrence of the administration, the trustees wish to announce that implementation of an increase in tuition and board and room fees for the next academic year will be postponed for one month.

During this period of one month, and thereafter, the Board will study the proposals presented by the students and will be in communication with representatives of the students to discuss their feasibility.

Naturally, the Board expects the students to work with the faculty and administration and their committees in developing their educational and financial proposals.

Ruddick C. Lawrence
Chairman of the Board
