to meet with

April 4, 1989

Dear Students,

As you know we have been designated by the General Committee to meet with representatives of the Concerned Students of Color to work towards reasonable solutions that will ensure racial and cultural diversity at the college.

You are all familiar with the demands for change made by the Concerned Students of Color. As changes made will affect the education and experience of all students on campus, we would very much appreciate hearing from any of you who would like to express your individual opinions and concerns about any of the specific issues raised or related issues that you think are important to consider. You may communicate with any or all of us in writing, or if you prefer, you may make an appointment to meet with any of us to discuss your views in detail.

We believe your suggestions will be extremely helpful as we continue our discussions with the Concerned Students of Color. Thank you very much.

Sincerely,
